

Have you experienced a brain injury?

If yes, you are invited to take part in a research study, which aims to explore community integration in people with acquired brain injury (ABI). We would like to conduct a survey and interviews to understand important aspects of getting back to the community after injury.

If you think you fulfil the following criteria, please give us a call:

- ☒ You must be 18 years or older
- ☒ You must have had experienced traumatic brain injury or stroke
- ☒ There must be at least 6 months past the time of injury

Study Task

You will fill out a questionnaire survey (~30 mins) and indicate if you wish to take part in face to face interview.

There are two ways you can participate in the study:

- ☐ Contact us on Freephone **0508 ABIResearch (0508 224737)** and provide your contact details. Our research team will contact you and mail/e-mail you the questionnaire.

OR

- ☐ Click on the link below to complete the questionnaire online:
