

Brain Storm

Heads Together For Concussion 2017
In Partnership With Geneva Healthcare
And ABI Rehabilitation

17 - 18 November 2017 | Havelock North Function Centre

Learn. Mingle. Grow.

Take your career to the next level at the first ever BrainStorm 2017 conference. Get together with clinicians, consumers and researchers working in the field of Concussion Management from New Zealand and beyond, debate the hot topics and controversies, and get the updates on the latest trends.

Guest Speakers And Topics:

- Managing Concussion in the New Zealand Context
- Sports Concussion
- Neuropsychology and Psychological Management
- Multidisciplinary Management
- Return To Work and more

Plus enjoy sunny Hawke's Bay, famous for its hospitality (Kahungunu Ringa Hora), award winning vineyards and restaurants, Art Deco, great outdoors, and feature local events in the most stunning of locations.

There is opportunity at the conference for 10-minute oral presentations and posters on topics related to concussion and its sequelae. Please email your abstracts by Tuesday 31 October 2017 to BrainstormAbstracts@genevahealth.com
